Notices

General Notice of Special Enrollment Rights

If you are declining enrollment under your group health plan for yourself and/or your dependents (if your plan includes coverage for dependents) because of other health insurance or other group health plan coverage, you may be able to enroll yourself and those dependents in this group health plan if you or the dependents lose eligibility for that other coverage (or if the other employer or plan provider stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the other employer or plan provider stops contributing toward the other coverage).

In addition, if your plan includes coverage for dependents and you acquire a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents under this plan after declining its coverage. However, you must request enrollment within 31 days after the marriage, birth, adoption or placement for adoption.

If you decline coverage under this plan, you may be asked to state in writing whether the declination was due to the existence of other health coverage. If this is so and you don't provide the statement, the above special enrollment rights may not be available to you if you need them.

To request special enrollment or obtain more information about it, contact your benefits department or personnel representative.

Notice on Dependent Under 30 Continuation

Horizon Blue Cross Blue Shield of New Jersey will bill over- age dependents directly and enrollees will remit the premium directly to Horizon. When Dependent Under 30 Continuation is selected, the home address must be completed under Section "A – Type of Activity" even when it is the same as the employee's address.

Important Note:

- Although the employee must continue eligibility under the dependent's plan for continued coverage of the dependent, in addition to the additional applicable eligibility criteria, coverage for the dependent will be issued as stand-alone coverage. All cost-sharing requirements and limitations will apply and will not be combined with the employee's policy. Consequently, covered expenses incurred by the over-age dependent will not contribute to family deductibles and out-of-pocket maximums, nor will family incurred expenses contribute to the over-age dependent's deductibles or out-of-pocket maximums.
